Silage transport trailers Mega Trailer

- High amount of loading
- Robust design
- Low tare weight
- Standard spring-loaded drawbar

The right transport trailer is decisive for a quick, efficient and economical transport of the chopping material from the field to the stack.

The Strautmann Mega Trailer offers the decisive advantages for farmers or contractors. The robust design, easy operation, the low tare weight and the high loading capacity ensure the practical suitability of the Mega Trailer even under extreme conditions. In connection with the large-sized chassis with a gross vehicle weight rating of up to 18t the Mega Trailer can be used for all purposes.
