

## Advice on hygiene and safety

For the health of everyone involved and a safe event, please note the following:

### We take care of:

- Ventilation at the venue appropriate to the risk of infection
- The number of participants is limited to max. 8 people
- Sufficiently large training rooms to keep a distance from one another
- Disinfection of surfaces that are often touched (door handles, etc.)

### What you can do:

- Please do not take part in the event if you have symptoms of illness
- Keep min. 1.5 meters apart
- Please note the cough and sneeze etiquette
- Wash your hands carefully and regularly

## Service training - for service partners

### Training contents

Design and function

- Machine
- Hydraulics
- Electrics / electronics
- Control and engine

## Self-propelled fodder mixing wagons
