## Advice on hygiene and safety

For the health of everyone involved and a safe event, please note the following:

### We take care of:

- Ventilation at the venue appropriate to the risk of infection
- The number of participants is limited to max. 10 people
- Sufficiently large training rooms to keep a distance from one another
- Disinfection of surfaces that are often touched

### What you can do:

- Please do not take part in the event if you have symptoms of illness
- Wear an FFP2 mask on the entire company premises
- Quick test before the start of the training
- No mask requirement in the training room, keep min. 1.5 meters apart
- Please note the cough and sneeze etiquette
- Wash your hands carefully and regularly

## Online training via Microsoft Teams

For our online training you need the following equipment:

### Requirements:

- PC or Mac with microphone and speakers
- Webcam (optional)
- Stable internet connection

### Hints:

You **don't** have to install Microsoft Teams for the training! You will receive an email from us with an access link so that you can take part in the training. Separate, quiet workplace – loud background noises could disturb the course participants. Training material is made available digitally.
